Hi all;

I will be out of the office tomorrow so will miss out on the TTT planning meeting. I figured you all will talk mostly about the StRAP spreadsheet. I spoke with Pam about it last week and determined that we essentially came to the same conclusions as to which topics from that spreadsheet are relevant to TTT. I have some additional questions/ideas and can follow up with those after the meeting. I believe we are planning to cancel the next TTT meeting since it is the same day as the picnic. Please let me know if this is not the case.

Austin
